## *St Joseph's Catholic Primary School, Oxford*

### Charging for School Activities Policy

#### **Rationale**

We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents/carers' financial means.

#### **Purposes**

This charging and remissions policy describes how we do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils being able to take full advantage of the opportunities.

#### **Guidelines**

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded at the end of the document.

#### **1. *The policy identifies activities for which:***

- charges will not be made.
- charges will be made
- charges may be waived

#### **2. *Voluntary contributions***

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

#### ***The Law states:***

- If the activity cannot be funded without voluntary contributions the Governing Body or Headteacher will make this clear to parents from the outset.
- No child will be excluded from an activity because his or her parents are unable or unwilling to pay.
- If insufficient contributions are received, the trip or activity may have to be cancelled.
- If a parent is unwilling or unable to pay their child will still be given an equal chance to go on the visit.

Residential and non-residential activities (other than those listed in Section 3 above) which take place outside school hours, but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours). reasonable period of time.

## 5. Optional Extras

### *Is a residential trip in or out of school time?*

*If the number of school sessions on a residential trip is equal to or greater than 50% of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening).*

*Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.*

Charges may be made for optional activities that are known as 'Optional Extras'.

Any charges made will not exceed the actual cost (per pupil) of provision

It is the policy of this school that charges will (or may) be made as indicated below. Parental agreement will be obtained before a charge is made.

## 6. Remissions

This remissions policy sets out the circumstances in which charges will be waived.

require that the school day is divided into 2 sessions. A “half day” means any period of 12 hours ending with noon or midnight on any day.

#### **9. Additional considerations**

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents/carers can plan ahead
- We have established a system for parents/carers to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
- We acknowledge that offering opportunities on a ‘first pay, first served’ basis discriminates against pupils from families on lower incomes and we will avoid that method of selection.
